Sir:

I, Kandasamy Hariharan declare and state as follows:

- (1) I am the same Kandasamy Hariharan who is an inventor along with Nabil Hanna on the above-identified application;
- (2) I have reviewed this patent application and particularly the description of Figures 1-4 that is contained at page 9, lines 9-18 of the application and the examples at pages 47-57 which contain descriptions of the experimental protocols relating to the experiments, the results of which are contained in Figures 1-4.
- (3) I performed the experiments, the results of which are contained in Figures 1-4 and therefore I am familiar with the results thereof.
- (4) I have reviewed Figures 1-4 attached to this affidavit.

(5) I hereby attest to the fact that these are the identical figures, the results of which are described in U.S. Patent Application 09/435,992 filed in the United States Patent and Trademark Office on November 8, 1999 entitled "Treatment of B Cell Malignancies Using Anti-CD40L Antibodies in Combination With Anti-CD20 Antibodies and/or Chemotherapeutics and Radiotherapy".

(6) I hereby declare that all statements made herein of my own knowledge are true and that statements made on information and belief are believed to be true.
